Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!

Dive into the world of animals! The joyful mandalas on the magical black pages turn easily into colourful pictures. But wait a minute! Some mandalas aren't complete! Continue scratching and draw a few pieces of cheese for the little mouse.
