Between Pimples and Mishaps

Of all people, YOU have been chosen to attend a live-streamed dinner with Dr. Feast, the world's most famous YouTuber—on a luxury yacht, no less. And no fewer than eight million people will be watching! You've got just a few weeks to get your life together and somehow transform into a somewhat presentable person... as if you didn't have enough problems already! School, annoying parents, aliens, time machines—it's just the usual chaos! Will you conquer the challenge of your life without racking up too many cringe points? Or will you go down in internet history as the biggest loser?

- A humorous decision-making book on the topic of puberty
- Featuring black-and-white illustrations
- Creatively crafted
