Johanna and her dad are camping in Sweden. A real adventure vacation - maybe a little too much adventure when a bear comes looking for something to eat at their place. Tom and Jan are camping in the garden - preferably without their little sister. But maybe a fearless little sister isn't so bad when it crunches and cracks outside the tent. Mia and Emma are at summer camp on the island of Rügen. It could be so nice if it weren't for the super show-offs. But then they discover a seal in distress and the vacation becomes nice after all.
