This volume takes you to the land of the pyramids and the pharaohs. In the palace of Tutankhamen, Sitamun and his sister Hesire discover a dangerous plot: there is every sign that the treasury is going to be robbed. Will the two succeed in thwarting the band of criminals?

Against a backdrop of historic events, children from various epochs solve mysteries. Whether it is a theft in a monastery, a gang of confidence tricksters in Barbarossa's time, or a plot centered on the payment of Varus' legionaries - our "History Mysteries" bring the Middle Ages, ancient Egypt and the Roman Empire to life. The detailed appendix provides information about the epoch in question. "History Mysteries" make history fun!
