

Christiane Oppermann

Guide to Economics

Illustrator: Annabelle von Sperber

ab 12 years

144 Pages, 14.8 cm x 21 cm

ISBN: 978-3-7855-4524-9

Paperback

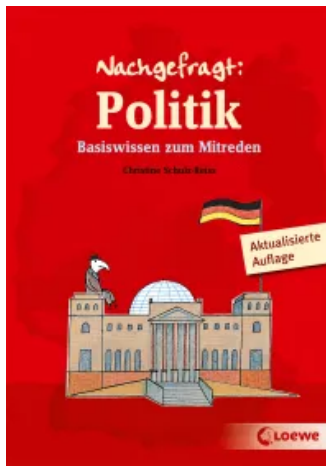

Collective bargaining, investing money, competition – Economic correlations very often are confusing for many young people. Guide to Economics explains in short chapters that economics is not only for adults. Because also teenagers are economically active when having a holiday job or spending their pocket money. Readers of this book learn how economy works and that it is worth to participate debates.

- Basic questions and brief answers
- Open, honest and inspiring
- Short chapters and paragraphs give background information
- Encourages the readers to think about everyday problems
