Helping children learn to read quickly

The Reading Lion concept aims to make reading a fun activity while actively accompanying the process of learning it. The concept offers books that are adjusted to children's needs and skills in all stages of this process. The syllables are marked in three different colours. This helps first readers to comprehend the individual syllables and the meaning of the words more easily. They will learn to pronounce every word correctly and read faster and more fluidly. Short sentences, simple words and easy-to-read font make reading very easy! Additionally, a sense of achievement will be

experienced motivating children to continue reading and learning.
