Bringer of Destiny – I Am Your Fate

One day, when Kiera is just a little girl, a strange man slips her a mysterious old coin at the funfair. Years later, she comes across the coin while she is tidying up and cuts herself on it. From that moment on, everything changes: the enigmatic Phoenix and his brother Hayden turn up at Kiera's school, and the arrogant Amy gets terrible acne all over her face – just as Kiera had secretly wished she would. Even Kiera's best friend Cody starts behaving strangely. It's almost as if Kiera can use the coin to change the course of fate.

As a **successful book blogger**, **Stefanie Hasse** knows exactly what her readers like: a **perfect blend of fantasy and romance**, with an original protagonist, an exciting love interest (or preferably two), a dash of humour and plenty of suspense!

Bringer of Destiny – I Am Your Fate *is the first of two volumes!*

Stefanie Hasse

Stefanie Hasse lebt mit ihrem Mann und ihren lesebegeisterten Kindern in Süddeutschland. Wenn sie nicht gerade selbst in fremden Buchwelten versinkt oder darüber bloggt, denkt sie sich fantastisch-romantische Geschichten aus und liebt es, ihre Leser mit unvorhergesehenen Wendungen zu überraschen. Und manchmal hat dabei natürlich auch das Schicksal seine Hände im Spiel.
