Calming stories and **atmospheric illustrations** for a relaxing bed time ritual. The short rhymes make it easy for kids to wind down after long days and set the right atmosphere for going to sleep. **Repetitions** and **rhymes** make the text sound like a lullaby: A new bedtime ritual coming up!

Natalie Mendes

Natalie Mendez was born and grew up in Ravensburg, Germany. Even as a child she came up with stories and filled up numerous notepads with them. For her it was always clear that one day she would become an author. After her German-studies she worked for several years in different children's and young adults' book publishers, until she decided to fully commit herself to her writing. Today the author lives on the outskirts of the Swabian Alb together with her husband and daughter, as well as a dog, a cat, two turtles and four chickens.
