An Exciting Adventure for Beginner Readers

Raccoon Eddie considers himself the most important member of the fire brigade. At least, in his own opinion. He inspects the cookies for freshness and motivates the firefighters to exercise—by running ahead while they chase him, a favorite pastime at the fire station. But one day, Eddie is kidnapped! Trapped in a cage and abandoned in the forest. What does a firefighter raccoon do in the woods? Start an animal fire brigade, of course! As it happens, a dangerous fire breaks out at that very moment. Luckily, Eddie is there! He takes charge and assembles a small team. But can a deer, a raccoon, a beaver, a vixen, and an owl really put out a forest fire?

- Animals as brave heroes
- Provides an insight into the work of the fire department
