Hugo is a genius, top at sport and the coolest boy in school – in his dreams, at any rate... in real life he is still miles away from any kind of fame! He is 11 years old, just starting secondary school, and happiest when hanging around with his best chum Nico. He is obsessed by the biggest problem that anyone his age can have: what must I do to change overnight from Mr Average to Superhero?

It can't be true! Girls ahoy! Lucy and Linda have spent all afternoon snooping about the house where Hugo's friend Nico lives. Why do the girls suddenly find everything Hugo says amazingly witty, and insist that Nico's style is really cool? When Lucy and Linda want them all to go as a gang to see a film, Hugo realises something dreadful has happened. The girls have fallen in love! And he and Nico are the objects of their passion!
