Hidden in the dark forest there is the elves castle. The little elves celebrate awesome parties, they help the animals who live in the woods and satisfy secret wishes.

Each title in the Picture Mouse series contains four short stories about the adventures of a loveable character or an exciting place. In the text all the nouns are replaced with small pictures, which children of 5 and up will be able to recognize and name while they are being read the story. Learning to read with pictures becomes a truly exciting game!

Julia Boehme

Julia Boehme studied literature and music and afterwards worked as an editor for a children's TV programme. One day she remembered that as a child she had wanted to become a writer. Right away she decided that from now on she was going to be a writer exclusively. Ever since she is creating new stories for television and writes children's books.
