Magical glowing mandalas

The black inner pages mean that once the playful, detailed designs – based on the popular themes of animals, mythical creatures, ghosts and the underwater world – have been coloured in, they positively glow!

- A new mandala series with a completely new design!
- A cool new look featuring black inner pages and glow varnish on the cover
- New motifs with intricate pattern
- 40 different designs in each book
- Featuring glow-in-the-dark stickers!
- Tear-out pages
