The forest is beautiful and full of secrets. But the life of the animals there is also dangerous. Come with us on a journey under the mighty treetops!

The little fox is born in the burrow of a badger, in the middle of the land of humans. He feels that he does not belong here. But somewhere in the world there is a place that is meant for him, he is convinced of that! Lucky for him, he's good at finding things: Mice, bugs, ideas ... So he gives himself the name Finder and sets off in search of a home. Maybe it's in the mysterious town where there are supposed to be lots of foxes?
