An exciting journey through the savannah

The savannah is beautiful and full of secrets. But the life of the animals there is also dangerous. Come with us on a journey into the vast grasslands.

The life of cheetahs is dangerous. Shadow, a young and rare king cheetah with a special pattern in his fur, knows this too. His mother has taught him and his siblings from an early age to always be on their guard: cheetahs are incredibly fast, but not strong enough to defend themselves against enemies. But Schatten is fed up with this constant caution. Together with his brother, he ventures out of the nature reserve - and ends up in the territory of two mighty cheetahs ...

Exciting adventures, amazing **wonders of nature** and the **thrilling lives of animals** - this children's book series takes **girls and boys aged 8 and over** into the different habitats of the earth.
