### **Learning to Read with Pictures.**

In the Australian bush, danger is everywhere for the little koala. First, a hungry eagle is after him, and then he almost gets lost. All he wanted was to follow the colorful budgies! And how did he end up falling asleep in the wrong pouch – only to be woken by an angry kangaroo baby?

The *Picture Mouse* series tells exciting adventure stories of a lovable character or an exciting location. In the text, all nouns are replaced with small pictures that children from the age of 5 can recognize and name when reading (aloud) together. This gently introduces children to the process of reading, allowing them to "read" their first book even before starting school!
