Julia is finally spending the holidays with her cousin Timo again – he lives far away, right by the sea. On the very first day, Timo shows her something incredible: a family of orcas lives in a nearby bay – even a baby! Julia is completely amazed. But then, all of a sudden, the orcas disappear. Julia and Timo investigate – and make a shocking discovery: the baby orca has been captured and is going to be sold! The two cousins know they must do whatever it takes to stop it. But can they really save the baby orca?

Sabine Giebken

Sabine Giebken, born in Munich in 1979, swapped ballet lessons for riding lessons at the age of eight. Even as a child, she wrote stories in exercise books, which later became her first horse books. After a degree in business administration and a few career detours, she finally turned her hobby of writing into a career. She lives in Bavaria and is a mum to two wild children, an affectionate dog and a self-confident Icelandic mare.
