Little Fairy with a Big Heart

Deep in the forest, beneath the protective canopy of trees, live the elves. Each elf has a unique purpose in the forest, living in harmony with the animals, trees, flowers, and roots. They help one another and all the creatures around them. But every now and then, something dark disturbs this peaceful balance...

Something is wrong in the elf forest: trees are falling, voices echo through the night, and all the ripe berries have disappeared. Rubinia knows she must act. Her search leads her straight to the forbidden Misty Forest, where the elves are starving, and their wicked ruler has sinister plans. Rubinia and her friends must gather all their strength. Will they be able to save the elf forest and help the elves of the Dark Forest?
