Here I Can Do Everything Myself

With plenty of pictures and no text at all: *I Can Do All That Already!* introduces new learning pads for clever kindergarten and preschool children who want to tackle tasks independently without needing their parent's help. It's also perfect for parents looking for an engaging and meaningful activity to keep their little ones entertained. Developed by an experienced educator, these exercises are tailored to the target age group and designed to be self-explanatory. The examples on each page guide the children, with a helpful little fox showing them how it's done. This way, early kindergarten and preschool skills are introduced, practiced, and reinforced in a playful manner. And the best part? They can do it all by themselves!

- Learning pads for independent work
- With easy-to-understand picture instructions
- Designed for kindergarten and preschool children
