Devils don't have it easy either!

- A hilarious comic-style series with a fantastic hook
- The perfect combination of a school topic and devilish fun!
- Humorous black-and-white illustrations on every double-page
- With plenty of uproarious details and screamingly funny gags

Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?

What happens in **Volume 5**:

Since Luzie and Lilly know that they are siblings they always have disagreements. Of course. But in one fight their demonic abilities accidentally go into effect. Luzie is Lilly and Lilly is Luzie. Hell-ishly embarrassing. This unwanted change of course has consequences. Luzie needs to go to Lilly's girls school and is completely lost, nearly unable to cope. He is close to destroy Lilly's reputation. Does Lilly feel the same on the school for boys? However, nothing is more important than keeping this change a secret so that Lucifer senior and Luzie's uncle don't find out about it.
