Tafiti the little meerkat experiences a lot of adventures. This miniature hero has real star potential and has been taking readers by storm. Tafiti and his best friend Bristles, the cheerful red river hog, stand by each other through thick and thin as Tafiti comes face to face with ravenous lion King Kofi and gluttonous eagle Mr Gogo.

The characters have all sorts of adventures in faraway Africa, but their stories remain close to the everyday lives of their readers. The Tafiti brand is growing!

When they are quietly lying in the hammock the springhare hobbles to them. "Ouch, ouch" he whines. Oh dear, what happened there? Luckily, the two friends find the thorn quickly and pull it out. But the other animals in the Savannah need help, too.. The greedy one has a stomachache and the giraffe has a sore throat. Can Tafiti and Bristles help the animals to get well soon?
