Hardcover

- Spiral bound black magic pages with **coloured** and **glittering foils**
- **Scratchable** surface
- **Unique presentation** with special wooden stylus
- Please ask for co-production opportunities

Get your imagination working! Loads of pictures are waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering fish or a crown for a king? The young artist decides!
