Creative Scratching now in a smaller format!

The new titles in the Creative Scratch Book series encourage artists to let their imaginations run riot as they travel to faraway galaxies, lace up their football boots, make stick figures dance and get in touch with their emotions or meet funny ghosts!

There is plenty of scope for creativity, with the wooden stylus transforming the black pages of the Scratch Books into colourful, glittering works of art. There is space on extra pages for additional ideas and designs.

- Scratchbook fun for all ages!
- With glittery foils, 18 black 'magic pages' and a wooden stylus
