Clara and Crumbs – a strong team. Which pony has magic powers? No pony does. But a bit of magic in the riding club could go a long way, thinks Klara. Especially when riding therapy for disabled children is to be stopped for lack of funds. Clara and her friends decide to raise the necessary money – whatever the cost. And in the process Clara's pony Crumbs becomes a magician! Something's always going on at the Cavallo Stables! When Clara gallops off on her cheeky pony Crumbs, it's a signal for the adventures to begin. And of course they also involve Lou and Liquorice!
