Learning languages made easy and enjoyable!

This illustrated dictionary features the most important words in a child's world in a series of engaging scenes from everyday life. The illustrations help children to discover words and use them correctly.

Learning new languages... is even more fun!

In today's world, it is increasingly important to be able to speak other languages. Nowadays, language learning starts much sooner since children are able to pick up another language very easily. When this is combined with the words and knowledge that they already possess, success is assured!

More than 600 familiar everyday words

Lots of engaging, easy to remember scenarios
