

My Craft Book for the Whole Year

ab 5 years

128 Pages, 19.5 cm x 23.5 cm

ISBN: 978-3-7432-1829-1

Hardcover

Crafting fun for every season

This book is full of creative craft ideas for the whole year! And the great thing about it is that you already have most of the things you need at home. For example, turn an old jam jar into a pretty lantern. Or make a labyrinth out of a shoe box and various natural materials. You can easily conjure up decorations, gifts or even little games.

- **Easy-to-implement ideas** for **children aged 5 and over**
- With **templates and tips and tricks** for different crafting techniques
- **Indication of difficulty level** and time required

This book contains 39 **easy-to-make and inexpensive craft ideas** for **children aged 5 and over**. Various **natural materials and recycled products** are used. **Crafting templates, tips and tricks** for different techniques and information on the time and level of difficulty required help children and their parents, friends and siblings to realise **creative and innovative ideas**.
