On an excavation site in the Valley of the Kings, an archaeologist discovers a Vizier's tomb. He proudly presents the most beautiful findings during a press conference. But he soon notices that some pieces have been stolen - a precious scarab amulet among them. An exciting hunt for the perpetrators ensues. The new volume in our Global Mysteries series leads young mystery-fans to the land of the pharaohs. Together with the protagonists they solve the case step by step - and acquire a lot of information about Egypt along the way.
