Learning to Read with Pictures

A car crashes into a truck full of cakes - Mats sees it all! Juli helps the police catch a thief. And police dog Rocko is on an important mission.

The Picture Mouse series tells exciting adventure stories of a lovable character or an exciting location. In the text, all nouns are replaced with small pictures that children from the age of 5 can recognize and name when reading (aloud) together. This gently introduces children to the process of reading, allowing them to "read" their first book even before starting school!
