Dare to Win – or Lose It All!

The Streetgang is riding high after their victories against the Elitegang – until they learn that there's a far more dangerous player in town. A shadowy figure who controls the neighborhood from behind the scenes and decides the fate of others at will. When the gang confronts this mysterious character, they're offered a deal they can't refuse: a bet. The stakes? A chance to get rid of the Elitegang for good. The winners will live in luxury – the losers will have to leave the neighborhood forever. And so, the games begin: manhole jumping, shopping cart races, and a no-laughing challenge. But soon it becomes clear – someone is playing dirty. Can the Streetgang still win when the odds are stacked against them?

- A fast-paced and funny Underdog Adventure
- Strong Values: Inclusion, Friendship and Fairness
- With humorous black-and-white Illustrations
