Writing success guaranteed!

On the colourful pages, children from the age of 6 can trace the letters from A to Z in simplified roman script, recognise their shape and even write matching words. At the same time, they train their motor skills and can consolidate them by colouring in a variety of pictures.

- Trains the use of the pencil
- With drawing instructions to promote fine motor skills
- Learn cursive writing in simple steps

Let's Discover - Cursive Writing combines learning **simplified handwriting** with **exciting activities** and age-appropriate **drawing exercises** to develop **fine motor skills**. **First-graders** learn **cursive handwriting** in a playful way, **practise using the pencil** and can memorise what they have learnt in the long term by linking it to **entertaining drawings**.
