About Picture Mouse (Preschool, 5+):

The Picture Mouse series tells exciting stories of the adventures of a lovable character in a great setting. In the text, all nouns are replaced by small pictures that children as young as 5 can recognize and name while reading (aloud) together. So the little ones have already read their first own book before they start school!

Henriette Wich

Henriette Wich was born in Landshut in 1970 and she grew up with six siblings and three cats. For as long as she was a child, she has been enjoying coming up with stories. After she got her degree in German language studies and Philosophy she has worked in the editorial department of children's books publishers. She has been working as a freelance author of children's and juvenile books for several years now. 11 nephews and nieces provide her with enough material for her books.
