Finally, the adventure of school begins! This time is very special. What are the teachers' names? Which letters and numbers are already familiar? And where are they going on their first trip? All this and many other moments can be captured in this cheerful start-of-school album. There is also plenty of space for photos and your own drawings. This way, the first school year is guaranteed to be remembered forever.

- With lots of space for photos, drawings and for capturing memories
- With padding, spot varnish and retaining strap
- The perfect gift for starting school
