The Space Fighters are a group of brave warriors who defend the alliance of Free Planets. They have been kidnapped by the devious Dark Agents; even Nano and Auros's parents are among the kidnapped Space Fighters.

The Dark Agents are fighting for the evil Dark Kingdom, which aims to rule over the Free Planets!

D3 is a robot and Vulcan Nomos a brilliant scientist. They can help Nano and Auros while engaged on their dangerous mission.

Nano and Auros are friends, and brave heirs of the Space Fighters. They possess secret super powers and are assigned a special task: they must defend the alliance of the Free Planets and free the Space Fighters.

In Vol. 1 Nano and Auros have landed on Convix, the Planet of Caverns, just as the Dark Agents are launching an attack. Now, Nano and Auros must muster all their super powers and show they are ready to fight back...

- Topical space-age theme!
- Exciting action for boys, suitable for young readers
- Spectacular colour illustrations
