Banshee bacon butties! The first day at school after 99 years is hard enough, but what about having to complete a seek and find task as well? Namely, to find a magical time compass that could be just anywhere? This is no easy task for Kasmiranda, Milford, Jonni and Melusine, and Ingeborg, the imperial pot-bellied sow. Not sooo difficult, either, given that a (fresh) blast from Ingeborg proves capable of summoning help! Very soon, the friends are uncovering a great secret... and making an astonishing discovery!

„A story told with lots of wit, wonderfully illustrated.“ Lausebande - Elternmagazin
