Knight Tristan is stressed out! Clearly too many mice are living in his castle. To get the situation under control again he brings cat Meg to the fort – known far and wide to be the best mouser. He seems to succeed with his plans as only three mice survive Meg's hunt by a whisker. When they decide to leave the castle, the brave mouse knight Gaiwan Greytail rushes to their aid. He is sure they can get rid of Meg. Offence is the best defence!
