You Only Get One Chance...

This time, it's meant quite literally – the stakes have never been higher. Twice before, Nick Dunmore managed to escape the clutches of the game unscathed. But now, the world of Erebos reawakens on his computer, pulling him back in and forcing him to re-enter as his former dark elf persona, Sarius. Nick and his friends are sent on a mission – but they have no idea what they're supposed to find. One thing is certain: lives are on the line. Whose lives? Erebos isn't telling. And when Nick finally realizes the true goal of their quest... it may already be too late.

Fifteen years after the groundbreaking success of Erebos, this long-awaited third installment delivers a thrilling new chapter in the bestselling series – with a striking edge-painted first edition. Don't miss it. You only get one chance.
