*Lucifer Junior is the Devil's son. He lives in Hell, and will one day take over the "family business". But his father still thinks Junior is far too nice for the job, and sends him off to spend some time in the land of the living at the boarding school St. Fidibus on Earth – after all, where better to learn how to be nasty than among human beings?*

What happens in Vol. 6:

Luzi is shocked: the CEO suddenly appeared in St. Fidibus! Of course, he's just Luzi's grandpa but that doesn't make things easier. Especially since his grandpa doesn't intend to leave in the near future but instead wants to attend his classes to get to know his grandchildren and take some time off from his job. But Luzi and Lilly don't need a grandpa, especially not one that interferes in everything and can do anything! They want to get rid of him as soon as possible...
