What Would You be Willing to do to Save Your Loved Ones?

Quinn is going to die. Her donor heart won't last much longer. To better understand death, she studies medicine at an elite university. But when the dean is murdered, followed shortly by a student's death, her brother becomes the prime suspect. Quinn must uncover the truth. In doing so, she stumbles upon a secret that could upend not only her world but the very foundation of medicine itself.

In Academy of Lies – Anatomy of a Conspiracy, Nina Scheweling takes us to an atmospheric elite university teeming with dark intrigues. Dark Academia meets medical thriller, exploring poignant themes like death, loss, and family—led by an extraordinary protagonist. Through her sarcasm and guarded demeanor, Quinn will not only make you laugh but also deeply move you.
