### A new Adventure for Tom, Hetty and Hugo!

Theodor Wurm, the caretaker of Dusterberg Castle, is thoroughly spooked. He and his wife are being kept awake at night by eerie screams and terrifying apparitions, and he turns to the ghost hunters for help. The three spectre experts begin their investigations, hoping to put a stop to the hauntings – but they get more than they'd bargained for in the form of the Bloody Baroness, a ghastly ghoul who has no intention of being banished!

This new edition of Cornelia Funke's long time bestseller is perfect for reading aloud and for independent readers aged eight and above. Frédéric Bertrand's colourful, modern illustrations complement the humour of the series brilliantly.
