What do you have in your diaper?

- witty pop-up book about getting used to the potty-chair
- a funny and beautiful illustrated picture with lovely characters
- a very interesting and funny topic for children in kindergarten age

PRRRRT! What was that? Someone has soiled his diaper, it was the little dog!

“Well done!” he says very proudly.

“Baa.” the sheep shouts “I can do it much better!”

And the competition begins! What does the cow has in its diaper?

And what about the little foal? And the tiny bird? A flap on every page shows the reader what the different animals have in their diapers. Just rabbit Henry cannot show anything because he already uses the potty-chair.
