Body Care Made Easy

After waking up, little bunny Hoppel urgently needs to use the potty. Don't forget to wash your hands! But brushing his fur? Hoppel isn't so sure—after all, the brush might poke, right? And what about brushing teeth, washing ears, or cutting nails—do you really have to do all that? Yes, you do! But with a bit of imagination and a playful approach, bathroom routines can be lots of fun—and afterwards, Hoppel feels great! This beautifully illustrated board book shows how enjoyable and simple body hygiene can be.
