A scary pick-nick at Bone Hill? How very pleasant! Twin sisters and half vampires Daka and Sylvania are delighted. But just as they are about to start drinking the yummy Spider jelly, they're in for an unpleasant surprise: five horrible giant bats circle their heads and attack them. How impolite of them, since they were definitely NOT issued with an invitation... They are basically unstoppable! Daka and Sylvania are starting head over heels into their next adventure. Another hilarious title by witty Franziska Gehm about the not-so-very-normal Tepes family!

“Franziska Gehm turns the table – usually humans try to arrange themselves with the Vampires, in this funny and witty series it is the other way round.” Westfälische Nachrichten
