Get your imagination working! Loads of pictures waiting to be completed. Just trace some lines on the black surface, and suddenly there's a riot of brilliant colour. That's because a bright pattern and glittering colours are lying beneath the black layer. Will it turn into a shimmering T-Rex, a glittering horse or a crown for a king? The young artist is one who decides!

NOW WITH DINOSAURS

Give free rein to your imagination with this cheerful Scratch-Expedition to the time of dinosaurs! Just start scratching, and patterns and colours will emerge.
