### **Tafiti Gets a Visitor**

A letter? For Tafiti and his family? Indeed, it is! Some distant relatives are planning a visit. Everyone is thrilled about the reunion. But the visitors aren't familiar with the dangers lurking in the savannah. They're especially fearful of lions—creatures they've heard plenty about but never actually seen. This leads to some very eventful encounters with Ostrich Nolo and Mama Matemba. Thankfully, Tafiti has lots of friends to help out. But when the meerkats mistake King Kofi for one of Tafiti's friends, things take a dangerous turn. Will Tafiti and Brush be able to save the meerkats and bring them safely back home?
