For several decades already the Reading Lion has helped millions of children as a trademark to the level of reading proficiency in Germany. The manifold stories contained in each volume describe the different aspects of a specific subject in a suitable manner and on the level of early readers. The exciting stories motivate both boys and girls to read on. With this level of the Reading Ladder the children have achieved the first level of true reading proficiency and have become competent readers. All titles feature full colour illustrations.

Henriette Wich

Henriette Wich was born in Landshut in 1970 and she grew up with six siblings and three cats. For as long as she was a child, she has been enjoying coming up with stories. After she got her degree in German language studies and Philosophy she has worked in the editorial department of children's books publishers. She has been working as a freelance author of children's and juvenile books for several years now. 11 nephews and nieces provide her with enough material for her books.
