Where do you belong, little Pai?

He really is old enough now to go on an adventure, thinks little red panda Pai one day – and sets off to explore the world outside his home in the wildlife park. He doesn't get far, however, before he finds himself completely lost. Pai is sent from pillar to post, since none of the animals are really sure who this little animal is. After all, everybody knows pandas are black and white – and enormous.

After a while, even Pai is no longer sure where he really belongs. And how is he ever going to find his way home if he can't answer that question? This is not exactly the kind of adventure he had in mind...

A picture book story about how you can never truly be lost if you know who you belong with.

- Start of a new series with a lovable character: The little Red Panda Pai
- Important topics: Where do I belong? Who am I?
- Volume 2 is coming soon!

Saskia Hula

Saskia Hula wurde 1966 in Wien geboren und ist auch da geblieben. Sie lebt im 4. Bezirk, ganz in der Nähe vom Naschmarkt. Nur im Sommer verschwindet sie gern aus der Stadt, um das Landleben zu genießen. Nachdem sie viele Jahre tausend andere Sachen gemacht hat (zwei Kinder aufziehen, Geld verdienen, Haus ausbauen, Garten anlegen, junge Katzen retten, noch ein Lehramt machen ...), hat sie vor ein paar Jahren beschlossen, nicht länger auf langweilige Zeiten zu warten, sondern endlich mit dem Schreiben anzufangen.
