Welcome to Bumblebee Lane, the funniest hood around!

- Everyday life, family, friendship and the best place on earth: home
- Modern b/w-illustrations
- Affectionate, funny and exciting

When two special people kiss during a moonlit night under a special tree that turns 100 years in precisely that moment, you can be certain that their future children will have special qualities.

That's what dad always tells us when we sit next to the fireplace at night, cuddled-up in blankets. And my siblings and I, we are those special children.
