E-Book

Important topic: Preventing child abuse

Saying no and avoiding displeasing contact is not easy. Self confident children manage to state clearly what they like and dislike. Therefore it is very important for children to become aware of their feelings and their body. This is the only way how children can develop the ability to set boundaries.

This book prompts discussion with its clear pictures and easy text and encourages reflecting about the topic of overstepping sexual boundaries.

- New illustrated and completely revised edition
- Aiming at readers aged 5+ and older
- Children will understand and discuss this important topic with parents or educators
- High media presence of topic
- Helps children to learn strategies preventing abuse
