Fritzi is different from other girls: she can cast spells. Only Fritzi's best friend Luna knows her secret. Together the two of them have lots of hilarious magical adventures – because Fritzi's spells are always going wrong. When she gets hiccups, she conjures up rice instead of ice or a unicorn instead of popcorn. And that's not the only thing that's special about Fritzi...

What happens in Volume 2:

Fritzi is in a bad mood because her iffy cousin Talea is on a visit and brags about her witchy talents. So her best friend Luna suggests a Witching Competition. The cousins are thrilled to start but one spell goes wrong and Luna is lost all of a sudden. Now the two witches need to team up to find her!
