In The Vampire Sisters black & pink, we meet Sylvania and Daka at the age of eight-and-a-half. The twins stay with their Grandma and Grandpa, where they have lots of vampiric adventures! In these books, younger readers can discover the world of the vampire sisters before moving onto the 'big' series when they are ready.

What happens in Volume 7:

Daka and Sylvania are aloud to go with their parents to the big school celebrations. The vampire sisters are very nervous as they've never been to a real human school! When there, they meet the mysterious Luna – is she a half-vampire? The vampire sisters have to find it out quickly!
