Search and Find by the water!

- Children are invited to look for specific objects at the lake, river and sea
- Hours of hidden object fun
- Promotes concentration skills, vocabulary and perception

There is a lot to experience at the water's edge! Whether at small streams and ponds or large rivers and lakes or even at the sea, interesting animals live everywhere and nature can be discovered.

These board books inspire children to play and discover. While centering around a specific theme, the pictures leave plenty of space for children to use their imagination and develop their own stories!
